

Clothing Shop Sales Slips

Sales prices are standardised. The latest price list is on our [website](#)

If your daughter is a current pupil of Talbot Heath, sale proceeds will be credited to your school account. If she is no longer at the school, please complete the leavers information slip so that the proceeds can be credited to your bank account. These are available from the school office or on our [website](#) (www.talbotheath.org/school-life/uniform)

Unsellable items such as damaged or dirty clothing or non-current uniform will be recycled. We do not sell white shirts, tights, non-sports socks or non-standard uniform items. 20% of the proceeds are donated for the benefit of the school and 80% is returned to the parent. After 2 years, any items not sold will be disposed of.

Any items left without a slip attached will be classed as a donation to the shop and all proceeds will go to the school
