

POST RESULTS SERVICES

Summer 2025 - GCE

Dear Student

I hope that you have been successful in your exams. However, if you have reason to think your marks are incorrect, you can apply for an enquiry about results. Marks may go up, stay the same or go down. If the reviewed mark is lower than your original, you cannot revert to your original mark. If the review of marking results in an increase in overall grade, the exam board will refund the fee paid.

Post result request forms are available from the School Website. The completed form and payment must be received by the Exams Officer (Mrs S Magnusson) before a request can be processed.

The outcome of any review will be sent via the student's school email account.

Access to Copy Script

This service is available so that a decision can be made as to whether a review of marking should be requested. Scripts will be received within approximately 7 calendar days.

Clerical Check

This is a clerical check to ensure that each question has been marked and all of the marks totalled correctly. The outcome will be available within approximately 10 calendar days of the request being submitted.

Priority Review of Marking

This is an urgent request for your exam paper to be reviewed and should only be used if your university place depends on you achieving a higher grade. This involves a review of the original marking to ensure that the agreed mark scheme has been applied correctly. Application and payment must be submitted by **3:00pm on 18 August 2025**. The result will be available within approximately 15 calendar days.

Review of Marking

This involves a review of the original marking to ensure that the agreed mark scheme has been applied correctly. The outcome will be available within approximately 20 calendar days of the request being submitted.

REVIEW OF RESULT

Candidate Consent Form

If your examination centre makes an enquiry about the result of one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is confirmed as correct, and there is no change to your grade.
- Your original mark is raised so that your final grade may be higher than the original grade you received.
- Your original mark is lowered so that your final grade may be lower than the original grade you received.

In order to process your enquiry, you must submit this form together with payment to the Exams Officer (Mrs S Magnusson).

The outcome of this review will be sent to your school email account.
